

Staff and members of public.

The following information is a **guideline** only:

The dogs *may* show some of the characteristics mentioned in the following.

The colour associated with each dog indicates the level of experience a person/family would need to cope with the particular dog.

Colour:	Characteristics:	Suitable for:
GREEN	Friendly to everyone, laidback, well socialized, good all rounder. Family orientated.	First time owners and families with young children.
ORANGE	Friendly to everyone, basic training and socialization classes required.	Owners who have had some experience of dogs. Families with children that have lived or had frequent contact with dogs
BLUE	Larger breeds, mild behavioral issues, lively, Training and socialization required	Ideally who have owned the 'breed' in question before. Requires physically stronger handler, older children
BLUE +	Advanced training required, behavioral issues, under socialized	Experienced owner. Adult only home

Please be advised by the **Staff** which colour dogs will be suitable for you and your family.

*breeds will vary considerably.
